

Council Chambers-City Council  
City Hall - City of Lodi  
Monday, June 22, 1931

Pursuant to adjournment taken from the regular meeting held June 15th, the City Council of the City of Lodi met in adjourned regular session at 8 o'clock P.M. on the date first above written, Councilmen Keagle, Steele, Weihe present at roll-call, Councilman Roach appearing at 8.04 o'clock.

Mr Farley, claiming to represent Raymond H. Crumney, contractor in the improvement of portions of Cherokee Lane, addressed the Council regarding several purported difficulties met with and promised to start work at once. No action taken.

Supt. of Public Utilities, John A. Henning, filed a written report on the application of J.R. Warden for extension of larger water main and the installing of sewage facilities on his place on South Stockton Avenue. As Mr Henning estimated that the cost would be about \$390.00 for sewer extension and \$175.00 for water main enlargement, no action was taken, his report being ordered accepted and filed.

The application of Joe Yoshe for electric service from the sewage disposal plant was denied as this place could be served by Pacific Gas & Electric Company.

Mr Henning stated that he had an application from Mrs E. Cunningham for sewer extension to her lands on the west end of Daisy Avenue.

Mr Huldrieck E. Looser, as President of Lodi Volunteer Fire Department asked the Council to increase the pay of Mr Geo. D. Polenske, Fire Chief, now serving at \$25.00 per month. On motion of Councilman Keagle, Steele second, the salary of Fire Chief Polenske was increased to \$100.00 per month effective on and after July 1, 1931.

At the order of the Mayor, the City Council adjourned to the day suggested by Mr Farley as being convenient to his principal for submitting propositions for the immediate commencement of work on the Cherokee Lane job, namely, to 8 o'clock P.M. of Wednesday, June 26, 1931.
